

7000 Series

The 7000 Series of performance safety eyewear look like brands costing more than double. Very stylish, always with full eye coverage; you will want to wear these for your every day sunglasses. Feature a sporty, flexible, lightweight design that your employees will be happy to wear both on and off the job. The 7000 Series come in multiple lens/finish combinations including IR3 and IR5, as well as silver, blue, and red mirrors.

The 7000 Series are Z87 rated and provide 99.9% UVA/ UVB/UVC protection.
