

Flip-Front Adapter Kit (IR5)

ArcOne's® browguards and visors provide full face and eye protection against sparks, spatter, small particles, and non-hazardous liquids. Made for most work applications including grinding, cutting, brazing and machining. Browguards offer a sleek, wrap around design that can be worn comfortably with impact resistant safety glasses. Available in polycarbonate dark green, clear, IR3 or IR5. Meets ANSI Z87.1 standards.
